

our vision

Hoffer Farm envisions a thriving, sustainable farm that connects people to the food they grow, the land they share, and the community they nourish.
Grown for you, by you.

hydroponics
program

7,790 seeds
sown

6,176 plants
transplanted

144 full
crop cycles
harvested

5 community
distribution
partners

229 pounds of lettuce donated to Lancaster Food Hub

212 pounds of lettuce donated to Manheim Food Pantry

2,097.4 servings provided to Lancaster County

community impact

help us grow

Although we have accomplished so much within a year, we are not done dreaming. We hope to continually expand our growing spaces, agricultural programs, and the impact we have on the community.
